# FAQS

---

## **Q: Can I have both a ceremony and reception with this pricing?**

A: Absolutely! However, here are a few things to consider for logistics. Traditionally, we perform a “flip” of the space during cocktail hour, transforming the ceremony area into the reception space. You’ll need to plan who will handle the setup and rearrangement of the space. We recommend using a wedding planner and/or Orlando Party Servers to make your event seamless.

## **Q: Can I bring my own vendors?**

A: Yes, you can! However, Vendors must be licensed and insured. They need to provide a certificate of insurance listing Trellis 925 as an additional insured. Alternatively, you can choose from our trusted preferred vendors who are experienced with our venue.

## **Q: Can I bring in my own caterer?**

A: Yes! You can bring in your own licensed and insured restaurant or catered food. Unfortunately, we do not allow home cooked food.

## **Q: Can I bring my own alcohol?**

A: Yes! You are more than welcome to bring in your own alcohol. We do require a certified and licensed bartender with a 13-CT and/or 14-COP licensing. Or you can add on one of our bartenders for \$450 for 4 hours with ice, cups and napkins included.

## **Q: Is a security deposit required?**

A: Yes. A \$500 security deposit is required. It will be refunded after the event if the venue passes inspection and no damages are found. Our representative will have a walkthrough with the event host at the end of the event time to confirm.

## **Q: What happens if I go over my rental time?**

A: Venue access is strictly limited to your booked rental period. If you exceed your rental time, you will be charged a late fee plus the applicable hourly rate, so be sure to purchase the number of hours you need!

## **Q: How many tables and chairs are included?**

A: [Click here for our complete furniture list.](#) We also have designer lounge furniture included with your venue rental.

## **Q: What does cleanup entail?**
